OF THE STATE OF SOUTH DAKOTA**

IN THE MATTER OF THE REQUEST BY THE)
LOCAL EXCHANGE CARRIERS ASSOCIATION)
AND ITS MEMBERS FOR A WAIVER OF ARSD)
20:10:27:14)

ORDER GRANTING
INTERVENTION

TC05-073

On May 31, 2005, the Public Utilities Commission (Commission) received a request from the Local Exchange Carriers Association (LECA) and its members for a waiver from ARSD 20:10:27:14 which requires companies filing access cost studies to use a historic test year. More specifically, LECA and its members are requesting they be allowed to file using projected minutes of use instead of historic minutes of use.

On June 2, 2005, the Commission electronically transmitted notice of the filing and the intervention deadline of June 17, 2005, to interested individuals and entities. On June 21, 2005, the Commission received a Motion to Accept AT&T's Late-Filed Petition for Intervention of AT&T Communications of the Midwest, Inc. and a Petition for Intervention of AT&T Communications of the Midwest, Inc. (AT&T).

The Commission has jurisdiction in this matter pursuant to SDCL Chapters 1-26 and 49-31 and ARSD 20:10:01:15.05.

At a regularly scheduled meeting of June 28, 2005, LECA stated that it did not object to AT&T's Petition. The Commission found that the Late-Filed Petition for Intervention demonstrated good cause to grant intervention. It is therefore

ORDERED, that the Late-Filed Petition for Intervention of AT&T is hereby granted.

Dated at Pierre, South Dakota, this 30th day of June, 2005.
